

TRENTON METRO AREA LOCAL UNION UPDATE

July 3rd, 2022

Management has notified the Union that the NEW SIPS machine installation date will be August 13th, 2022 with an expected burn in date of August 22nd, 2022.

The Local Negotiations have concluded. There is a copy of the New LMOU on the Local Union Website TMAL1020.com for anyone that wants to look at them.

The last day to purchase tickets for the Trenton Metro Area Local Union Picnic is July 9th, 2022. Unfortunately, there will be no exceptions to this date because we need to give Liberty Lakes a final head count on July 10th, 2022.
